» Work Experience

- June 2005 – Current Various freelance projects including architectural, web design and print design work, examples of which can be seen at www.digiport.co.uk.
- June 2004 – September 2004 Student Intern, Julian Bicknell & Associates
Hand drew interior elevations from plans and schedules, details (e.g. stone architrave and dado, wood panelling and external electricity cupboard door), and interior perspective impressions for a large private manor house.
Issued updated drawings to client and contractors.
Dealt with contractors, checking and correcting contractors' drawings, answering queries and requesting site measures and updates.
Checked, updated and produced various schedules.
Researched for specification various items including ironmongery and bathroom fittings.
- September 2002 – March 2003 Inward Bills Officer, Nat West International
Processed Inward Documentary Collections.
Dealt with customers in the UK as well as other banks abroad.
In direct collaboration with managers, organised the move of staff, equipment, and filing from two floors of the office building to one floor in a newly constructed office building. This included assigning desks and filing areas to teams, forwarding telephone numbers, and organising printers, faxes and other technology.

» Examples of work
